ABOUT ME

Hi, I'm Elena and as a designer I have always wondered how I could help people through my work. I have more than 3 years of experience in digital design. Currently, I am working at Flat 101 consulting, creating attractive user-centric designs, and helping companies to achieve their business goals.

EXPERIENCE

UX/UI DESIGNER
Flat 101 (2019-Present)
Consulting and dealing with clients. Analyze and audit digital businesses. Prototype and development visual solutions. Specializing in Conversion Rate Optimization processes (CRO) Main clients: Vodafone, Mutua Madrileña, Mapfre, IVI and Grupo Alsea.
